

Embargoed Release of Statewide Results From All Fall 2012 Assessments

Statewide results of all fall 2012 assessments will be released to the public and news media, **Monday, February 11, 2013 at 10:00 a.m.** Districts and schools have an opportunity to preview these embargoed state results now.

Michigan Educational Assessment Program (MEAP), MEAP-Access, and MI-Access statewide assessment results can be accessed via the BAA Secure Site. If you have a user ID and password to the BAA Secure Site, you may access, view, or print local or state aggregate reports at this time. Go to www.michigan.gov/baa-secure and click on "Student Test Scores" from the menu on the left side of the page, then select the appropriate fall 2012 test cycle. If you do not have access to the BAA Secure Site, please contact your district assessment coordinator for assistance.

The embargo on all fall 2012 assessment results will be lifted at 10:00 a.m. on Monday, and at that time you may freely share and discuss local and state aggregate results with the public, parents, and news media, as you wish.

Remember, all aggregate reports are embargoed from release until Monday, February 11th at 10:00 a.m. You have been provided advance access to prepare yourself for questions you may receive as a result of the public release. **Disclosure of any of any embargoed local or state aggregate results prior to 10:00 a.m. on Monday, February 11th may result in the elimination of the opportunity for an advance look at state results in the future.**

If you have questions, send an email message to baa@michigan.gov or call 877-560-8378, select option 2 for MEAP or MEAP-Access, and option 4 for MI-Access.
